

*Barrier-Free &
Beautiful*

Woodsmen Builders, Inc

Making Life Easier for People of All Ages and Abilities

Stylish and elegant showers provide truly functional solutions for baby boomers, their parents, and people with disabilities.

Achieve dreams of independence, meet lifestyle goals, and enjoy peace of mind while staying in the home you love.

We can create level entry showers using pre-sloped shower pans suitable for tiled floors. Stylish accessories are available to enhance the user's safety and showering experience.

We are now proudly partnering with AKW to provide you with solutions to meet your bath needs.

Helping Meet Client Accessibility Needs for Independent Living

Features & Benefits of Barrier Free Shower Systems

- True level entry, zero threshold showers provide easy entry
- Where stylish design meets practical function
- Half high doors deflect water - caregiver stays dry
